Institutional membership is an opportunity to leverage ARN's vast library of nursing education resources, webinars, events, and more to enhance your staff's professional development. Together, we can promote rehabilitation nursing and advance the specialty throughout the nation.

Partnership benefits (amounts vary by package):

- Individual nurse membership for 25–350 nurses
- Live conference registrations at early-bird rate for 10–75 nurses
- Virtual conference registrations at early-bird rate for 15–100 nurses
- Live conference exhibit booth
- Virtual conference networking table
- Conference standard or silver-level sponsorship
- Complimentary e-blast distribution to ARN members and CRRNs
- Additional discounts on products and webinars for your entire organization
- Discount on CRRN exam registration for your entire organization
- ARN Career Center promo packages

That's just the beginning of a long list of ARN Institutional Membership perks, with new opportunities to meet partner needs regularly being added.
