

## MISSION▶

Promote and advance professional rehabilitation nursing practice through professional development, advocacy, collaboration, and research to enhance the quality of life for those affected by disability and chronic illness.

## VISION▶

Improve healthcare delivery through the integration of rehabilitation nursing concepts across the care continuum.

# 2020–2023 STRATEGIC PLAN GOALS AND OBJECTIVES

### GOAL 1: Establish and expand strategic partnerships.

- Cultivate, expand, and sustain alliances with interprofessional and influential organizations.

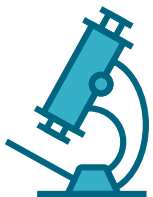

### GOAL 2: Enhance member and stakeholder engagement.

- Expand leadership development initiatives.
- Expand services and products.
- Develop value propositions that align with needs across rehab nurse career stages and functions.
- Advance diversity, equity, and inclusion activities within ARN.

### GOAL 3: Increase ARN's visibility as the leader of evidence-based rehabilitation nursing, education, and practice.

- Champion excellence in the rehabilitation nurse workforce.

### GOAL 4: Advance the science and art of rehabilitation nursing through knowledge and practice.

- Promote research through financial and educational initiatives.
- Facilitate evidence-based practice through innovative educational offerings.
- Serve as the primary rehabilitation nursing source for legislation, policy formation, regulatory initiatives, and guideline development.
