

Legislative and Health Policy Agenda

Promote and improve transitions of care for patients by realizing the value and role that rehabilitation nurses play in healthcare delivery

Support Chronic Care Improvement

Recommendation: ARN supports efforts to improve timely and quality care provided to individuals with chronic illnesses

Preserve Access to Quality Rehabilitation Services

Recommendation: ARN supports efforts to ensure that individuals with disabilities and/or chronic illness have access to comprehensive, quality care in appropriate rehabilitation settings

Association of Rehabilitation Nurses
1061 American Ln Suite 310 | Schaumburg, IL 60631

Health Policy Funding Priorities

ARN supports robust funding for:

- Rehabilitation programs for veterans
- Traumatic brain injury programs at the Centers for Disease Control and Prevention (CDC) and Health Resources and Services Administration (HRSA)
- Rehabilitation research at the National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), the National Institute of Nursing Research (NINR), and the National Center for Medical Rehabilitation Research (NCMRR)
- Title VIII nursing workforce programs at HRSA

Support and Promote Appropriate Quality Measures and Outcomes Across the Post-Acute Care Continuum

Recommendation: ARN supports efforts to ensure harmonious and equal measures across the post-acute care continuum
