We can't wait to 'sea' you at #Rehab2022!

How attending benefits you:

- Experience a hybrid event opportunity to learn best practices and earn continuing education credits (CNE).
- Reengage and reconnect with the rehab nursing community at the first in-person ARN conference in almost 3 years.
- Gain access to industry supporters and experts to discover the latest trends.
- Immerse in inspirational conversations and fun with people who truly understand your experiences.
- Refresh your personal commitment to provide the optimum care to yourself and your patients.

Registration Options:

HYBRID

(September 19-23): Your hybrid registration allows you to earn 50+ hours of continuing education credits* over the course of four days. Enjoy virtual learning with exclusive, live sessions and on-demand access to content. Then, reconnect and join your nursing community in San Diego for in-person events. Mingle with rehab nurses from all over the country while you take part in inspiring stories, learn best practices, and meet experts in your field in an oceanside setting. Visit the exhibit hall where you can grow your network and see the latest trends.

VIRTUAL ONLY

(September 19-20): Virtual only registration provides you 35+ hours of continuing education credits. Watch exclusive, live sessions, and have access to on-demand educational content until December 31, 2022.

IN-PERSON ONLY

(September 21-23): In-person only registration provides you entrance to the conference which includes 2 days and 15+ hours of continuing education credits. Mingle with rehab nurses from all over the country, engage in important discussions, and visit the exhibit hall to grow your network and discover the latest trends.

TEAM DISCOUNT

Team Discounts are available for all above registration types (hybrid, virtual only, in-person only). Discounts are offered for groups of 2-4, and a larger discount is offered for groups of 5+. Take advantage of this exclusive discount and refresh, learn, and network alongside your team at ARN's 2022 Rehabilitation Nursing Conference!
