Back to Your Facility**

**Earn up to 45.5 CH**

**All from the organization you TRUST**

## REACH Your Professional Goals

More than 800 rehabilitation nursing professionals will come together in West Palm Beach to gain new insights—will you be there?

Join us at ARN REACH 2018 for 5 days of sessions to increase your competence, knowledge, and performance. Refine your leadership skills to make a real difference on your team, while also influencing performance improvement activities.

### Make Essential Connections

Share ideas and best practices with other rehabilitation nurses from around the country. Substantiate your facility's current practices and gain exposure to new products, concepts, and services to help you advance your career. Forge new relationships and develop lifelong friendships!

A variety of **Special Interest Groups (SIGs)** are available to provide a forum for you to share strategies with other nurses interested in specific patient populations or practice settings just like yours!

You also will have the opportunity to mingle with new colleagues over dinner to learn what interests them and discuss the latest professional trends. **Dine-A-Round** sign-up sheets will be available onsite in the Registration Area on a first-come, first-served basis.

Acquire up to **45.5 total CH** of continuing education to earn or maintain certification and licensure.

**Returning this year:** Expanded exhibit hours and poster viewing schedules!

**New:** Earn 12.5 CH from poster sessions alone!

# Featured Presentations

## Keynote Session

Thursday, Oct. 18 | 8–9 am

### **The “Care Reel”**

*Kevin Pearce, Champion Snowboarder*

Champion snowboarder Kevin Pearce shares his epic rise, life-changing fall, and inspiring road to recovery from the crash that changed everything. His recovery is not just a story of his own perseverance and strength; it’s also the story of the dedicated healthcare professionals who were with him every step of the way.

## Founder’s Address

Friday, Oct. 19 | 8–9 am

### **Bounce Back: Turning Stumbling Blocks into Stepping Stones**

*Michelle Camicia, MSN CRRN CCM NEA-BC FAHA*

Michelle will explore sources of challenge at the personal, patient and family, institutional, industry, and community levels. She will introduce evidence-based strategies for nurses to enhance personal resilience to overcome adversity and grow stronger from their experiences.

## Closing Session

Saturday, Oct. 20 | 11:40 am–12:40 pm

### **Nutty About Rehabilitation Nursing or Just Plain Nuts? Expand Your Horizons with Humor**

*Deb Gauldin, ADN, Speaker, Humorist, Author*

A former obstetric nurse and lifelong champion of women’s causes, Deb knows what it feels like to be overextended and underappreciated. She connects with audiences instantly, delivering a message of profound importance and unforgettable hilarity. Leave this session feeling relaxed, renewed, and appreciated for the work you do!
