

SAVE ON THESE MEMBER BENEFITS

Rehabilitation Nursing Journal (RNJ)

ARN's peer-reviewed journal comes to you 6 times a year with original and evidence-based research and clinical practice articles to enhance your practice.

Member Savings: \$196

Annual Conference and Expo

Each year, the ARN REACH conference changes locations throughout the United States and brings hundreds of dedicated rehabilitation nursing professionals together to network and explore innovative education and products!

Member Savings: \$200

The Specialty Practice of Rehabilitation Nursing: A Core Curriculum, 7th ed.

Published by your colleagues, *The Core Curriculum* is the foundation for the rehabilitation nursing specialty and can be applied to all settings across the post-acute care continuum.

Member Savings: \$75

ARN Competencies Assessment Tool (ARN-CAT)

Free to members, the ARN-CAT is useful to train and evaluate an individual or an entire staff. Sixteen assessments target a specific skill or competency area critical to rehab nursing.

Member Savings: \$35

Clinical Tools for Continence Care

The booklet and set of six posters of clinical algorithms will help the entire disciplinary team apply best practices and problem-solve the continence needs of all of your patients.

Member Savings: \$30

Live and On-Demand Webinars

Earn CH when you learn about critical topics in a virtual classroom setting during live or on-demand ARN webinars.

Member Savings: up to \$100

Think Like A Rehab Nurse Online Case Studies

ARN Case Studies allow you to apply your knowledge to real-world concepts and scenarios during these online learning activities.

Member Savings: \$10

PRICELESS AND EXCLUSIVE TO MEMBERS

Member Circle Online Community

Network 24/7 as you seek solutions to your most pressing concerns and work with others to find solutions to their problems.

Special Interest Groups (SIGs)

Connect with colleagues with similar roles or areas of focus within rehabilitation nursing. SIGs meet in person during conference each year and some have discussion groups on Member Circle!

6 Free Contact Hours Annually

Earn up to 6 free CH annually by reading the feature article in RNJ and passing the post-test with a score of 80% or higher.

ARN Pulse Newsletter

Read features written by your colleagues, the latest rehab nursing news, breaking educational opportunities and events, updates to CRRN Certification, and much more!
