Keynote Speaker

Dr. Tyree is a former elite Paralympic athlete, having competed in the Paralympic Games on three medal winning basketball teams. She has been a role model, not only for other women athletes, but also for people with disabilities. She is a pioneer in women’s sports and is a disability advocate who serves on the National Board of Directors of the United Spinal Association. She received the University of Arizona Pharmacy Practice and Leadership Award for her ability to support teams in delivering leading pharmaceutical care to patients. Dr. Tyree brings her clinical expertise in pharmaceutical care and rehabilitation medicine, her personal life experiences and passion to her professional and personal life.
